

GUEST SPEAKER

John A. Kaufman

MD, MS, FSIR, FAHA, FCIRSE, EBIR

John A. Kaufman, MD, MS is the inaugural Chair of the Department of Interventional Radiology, Director of the Dotter Interventional Institute and the Frederick S. Keller Professor of Interventional Radiology at the Oregon Health & Science University in Portland. He also has appointments as Professor of Diagnostic Radiology, Surgery and Medicine at OHSU. A native of Boston, Dr. Kaufman worked at the Massachusetts General Hospital from 1991 until 2000, when he joined the Dotter Institute. He has had pivotal roles in the transition of Interventional Radiology from a subspecialty of Diagnostic Radiology to primary specialty of the American Board of Radiology, and the development of the IR residency. His research focus has been on vena cava filters and aortic stent grafts. Dr. Kaufman has authored or co-authored more than 200 publications including 5 textbooks. He is co-Editor of the quarterly review journal Techniques in Vascular and Interventional Radiology (TVIR), and is the Section Editor for Vascular and Interventional Radiology for the American Journal of Radiology (AJR). He was honored as a Gold Medalist of the Society of Interventional Radiology (SIR), Distinguished Fellow of the Cardiovascular and Interventional Radiology Society of Europe, and Distinguished Alumnus of the Boston University School of Medicine. He has served as Chair of the American Heart Association (AHA) Council on Cardiovascular and Interventional Radiology, President of the SIR, and Chair of the SIR Foundation. He currently serves as President of VIVA, and is a Trustee of the American Board of Radiology. Most important, he is married to Cathy Kaufman, and they have three children, five grandchildren, and two dogs.

SUBMIT YOUR CASE

Registrants may submit a case for potential presentation at this conference.

We ask that it be of a M&M nature with learning points. Case submission is completely optional. If you are submitting a case, then it needs to be completed in a PowerPoint presentation (10 minutes in length). The deadline for case submission is January 17, 2019. The committee will review the cases and pick the best cases with valuable learning points for presentation at the conference.

Please send your case to : cairservice@cairweb.ca

OBJECTIVES OF THE SEMINAR

Through the years, CAIR has strived to deliver world-class IR education through an academic program that addresses the various facets of IR. For the third consecutive year we are happy to present our "Grand Slams & Catastrophes" Course.

We hope this will become a yearly tradition. The course moderators will be presenting very interesting cases, but the sessions are also formatted to allow you to present your challenging or unusual cases, so make sure to come prepared! We hope our attendees will enjoy the program we have planned and enjoy the exciting city of Lake Louise.

Dr. Jason Wong & Dr. Andrew Benko
Program Chairs

LEARNING OBJECTIVES

At the end of the meeting, the participant should expect to:

1. Identify potential outcomes from case complications and develop strategies for avoidance;
2. Recognize medicolegal implications of complications and the process of litigation;
3. Describe the components of a successful quality assurance program in IR;
4. Explain common causes of medical errors;
5. Exchange opinions and experience in challenging cases through workshops, debates and panel cases;
6. Discuss the future direction of IR;
7. Identify and discuss various approaches, as well as tips and tricks, in order to get out of challenging clinical situations or to achieve procedural success in both vascular and non-vascular IR.

FRIDAY, FEBRUARY 8 AND
SATURDAY, FEBRUARY 9, 2019

GRAND SLAMS & CATASTROPHES COURSE

FAIRMONT LAKE LOUISE

111 LAKE LOUISE DR, LAKE LOUISE, AB

Canadian Association for
Interventional Radiology
Association canadienne pour
la radiologie d'intervention

FRIDAY, FEBRUARY 8

07:00 - 07:30	Breakfast
07:30 - 07:45	WELCOME Jason Wong, Andrew Benko
07:45 - 08:15	Vena Cava Filter Retrieval; What Could Possibly Go Wrong....? John Kaufman
08:15 - 09:45	Arterial Session Adnan Hadzimerovic, Gérald Gahide
10:00 - 10:30	Pot pourri Session John Kaufman, David Valenti
10:30 - 15:30	Break
15:30 - 17:00	Venous Session Richard Owen, Jason Wong
17:00 - 17:45	Extreme IR Session John Kaufman, Marie-France Giroux
17:45 - 18:30	Cases from audience
19:00 - 21:30	Banquet dinner

SATURDAY, FEBRUARY 9

07:00 - 07:30	Breakfast
07:30 - 07:40	Recap of the Previous Day Jason Wong, Andrew Benko
07:40 - 08:10	Can you really make lemonade from lemons? John Kaufman
08:10 - 09:40	Non-Vascular Session Richard Owen, Adnan Hadzimerovic
10:00 - 10:30	Pot pourri Session John Kaufman, Andrew Benko
10:30 - 15:30	Break
15:30 - 17:00	Embolization Session Marie-France Giroux, David Valenti
17:00 - 17:45	Extreme IR Adnan Hadzimerovic, John Kaufman
17:45 - 18:30	Cases from audience

SPEAKERS

Andrew BENKO, MD, FRCPC, C.S.P.Q.
Chief of Angiography & Interventional Radiology, CHUS; Associate Professor, University of Sherbrooke.

Gérald GAHIDE, MD, Ph. D.
Associated Professor, University of Sherbrooke.

Marie-France GIROUX, MD, ARQ, FARQ, SCFR
Vascular & interventional radiologist at the CHUM
Associate Professor at the University of Montreal.

Adnan HADZIOMEROVIC, MD, FRCPC
Head Vascular and Interventional Radiology Dept. of Medical Imaging, The Ottawa Hospital Assistant Professor, University of Ottawa.

John A. KAUFMAN, MD, MS, FSIR, FAHA, FCIRSE, EBIR
Chair, Department of Interventional Radiology
Director, Dotter Interventional Institute
Frederick S. Keller Professor of Interventional Radiology, Oregon Health & Science University

Richard OWEN, MD, FRCPC, MRCP
Associate Professor, Site Head Department of Radiology, University of Alberta, Edmonton.

David VALENTI, MDCM, FRCPC, FSIR
Division Head, Interventional Radiology, McGill University Health Centre; Director IR Fellowship Program, McGill University, Montreal.

Jason WONG, MD, FRCPC, FSIR
Clinical Associate Professor, Cardiovascular and Interventional Radiology, Foothills Medical Centre; Cumming, School of Medicine; University of Calgary.

CME CREDITS

This group learning activity has been accredited for section 1 within the Maintenance of Certification program (MOC) of the Royal College of Physicians and Surgeons of Canada.

HOTEL RESERVATION

A preferential rate has been negotiated for the attendees.

Rate for a single: \$229/night (+TX)
Rate for a double: \$243/night (+TX)

Address: 111 Lake Louise Dr, Lake Louise, AB T0L 1E0

REGISTRATION

Early bird rates before December 23, 2018:

Physician member:	\$490 (+TX)
Fellow – Tech – Nurse – Resident member:	\$335 (+TX)
Physician nonmember:	\$950 (+TX)
Fellow – Tech – Nurse – Resident nonmember:	\$430 (+TX)

Regular as of December 23, 2018:

Physician member:	\$640 (+TX)
Fellow – Tech – Nurse – Resident member:	\$415 (+TX)
Physician nonmember:	\$1 100 (+TX)
Fellow – Tech – Nurse – Resident nonmember:	\$515 (+TX)

Cancellation fee policy:

30 days before the event:	25\$ (+TX)
7 days before the event:	50% of registration fees (+TX)
Less than 7 days before the event:	No Refund.
